# ABOUT US

## MAULDIN THEATRE COMPANY

The Mauldin Cultural Center has always been a welcoming space for the performing arts. In 2017, the facility became home to the newly established Mauldin Youth Theatre as they produced their inaugural play, Disney's The Lion King, Jr. Now, our performing arts schedule is expanding to include more youth theatre, musical revues, and a community theatre for both adult and youth actors!

We are always looking for volunteers, production members and future cast members. For more information about upcoming opportunities please visit [www.mauldinculturalcenter.org](http://www.mauldinculturalcenter.org).
