ABOUT US

MAULDIN THEATRE COMPANY

The Mauldin Cultural Center has always been a welcoming space for the performing arts. In 2017, the facility became home to the newly established Mauldin Youth Theatre as they produced their inaugural play, Disney's *The Lion King, Jr.* Now, our performing arts schedule is expanding to include more youth theatre, musical revues, and a community theatre for both adult and youth actors!

We are always looking for volunteers, production members and future cast members. For more information about upcoming opportunities please visit www.mauldinculturalcenter.org.
